Are we alone in the universe??

The Search for Extraterrestrial Life: A History of Science Perspective

A talk by Dr. Lloyd Ackert, Department of History & Politics

North Hall MPR, 7PM

Wednesday, February 26

Come join us for an out of this world discussion about extraterrestrial life! Our guest speaker, Dr. Ackert will survey the history of the Search for Extraterrestrial Life and address questions such as, What is Life, How are we searching for it, and Why do we care?

Snacks and drinks will be served.
